Baltimore Bird Fanciers

Baltimore, Maryland

Membership Application

Baltimore Bird Fanciers is a group of people with a common interest: pet birds. Established in 1940, Baltimore Bird Fanciers is the oldest continuously operating pet bird club in Maryland. Some of our original members still attend our meetings!

Our goals include encouraging, advising, and educating pet bird owners by sharing our collective knowledge of the science of maintaining or breeding pet birds. We seek to create public awareness of bird breeding, exhibiting, and proper care for pet birds.

Baltimore Bird Fanciers exchanges newsletters with other bird clubs to receive and share information to further our goals.

To promote the hobby, Baltimore Bird Fanciers sponsors a fall **bird show**, which is open to the public. The club also sponsors a spring **bird mart** where vendors gather to offer birds and bird-related merchandise for sale.

Baltimore Bird Fanciers is a non-profit organization. All of the proceeds collected from membership dues, raffles, donations, etc., are utilized in the operation of the club.

We extend an invitation to you, your family, and friends to join the Baltimore Bird Fanciers.

Membership Benefits
